A Message from the Judges

2013 was a challenging year for the Stow Municipal Court.

Once again, because of tight spending constraints, the Court is pleased to announce that spending was less than Court receipts for costs and programming. No fine money was taken from any of our sixteen communities to meet the Court's needs, a statement that no other of the largest (by population) municipal courts of Ohio can make.

During this time of tight budgets we actually increased our programming to help people improve their lives.

Our focus for 2014 will be to implement technological changes and tools that will ultimately improve our services and reduce operating costs. In short, sometimes you have to spend money to save money, even if it seems counterintuitive.

While the Judges' operation was stable, the Clerk of Courts' operation experienced change unparalleled in our history. In over fifty years of operation, this Court has had only four elected Clerks. In 2013, three Clerks served the Court. After Lisa Zeno Carano resigned the office in January, the Democratic Party appointed Diana Colavecchio in replacement, who served until Kevin Coughlin won the office in the November election and assumed the duties in December.

We are grateful for our staffs that have made efficient continuity possible.

2014 promises to be a challenging year as well, but the Court is prepared to meet the year ahead.

Respectfully submitted,

Kim R. Hoover, Judge

Lisa L. Coates, Judge

A Message from the Clerk of Courts

As the judges stated in their message, the Clerk's office ended 2013 in transition and looks forward to a year of change in 2014.

Thanks to the vision and leadership of our judges, the citizens of Northern Summit County are now served by a modern, centrally located courthouse that has been paid for by defendant fees - not the taxpayers.

Our role over the coming months in the Clerk's office will be modernize the process and technology inside the building. Each and every change is designed to create efficiencies and better serve the public.

We are realigning and reducing the size of our staff, automating formerly manual tasks, and making improvements to workflow so that our team can do more with less.

In March 2014, we launched a new website for the Court, allowing users to better access the information they need. This is the first major redesign of the Court's website since the mid 1990s.

Most importantly, we are moving aggressively to replace our antiquated case management software. Once implemented, our new system will dramatically improve the office's workflow. It will allow us to become a largely paperless Court, allow for e-filing, and provide the public with much better access to case records.

I welcome your feedback and suggestions on how we can improve our services. Please feel free to contact me. On behalf of all our staff, thanks for the opportunity to serve you and our communities.

Kindest regards,

Kevin J. Coughlin
Clerk of the Stow Municipal Court
