## A MESSAGE FROM THE COURT

In accordance with Ohio Revised Code 1901.14(A)(4), the 2021 Annual Report for the Stow Municipal Court is attached. This Report provides an overview of the caseload, revenue, and distribution statistics for each of the 16 communities served by the Court.

Much like most other courts throughout the state, the COVID-19 pandemic continued to present unprecedented challenges in 2021. While the Stow Municipal Court was able to safely remain open and fully operational, the pandemic-impacted caseloads and revenue trends that occurred in 2020, continued, and in some cases worsened in 2021. Overall, the caseload decreased by 23% (4700 cases), compared to 2019 (pre-pandemic). The corresponding decline in revenue was approximately 9% (\$211,000), compared to 2019. As we conclude the first quarter of 2022, those trends appear to be consistent as both the caseload and revenues remain well-below pre-pandemic levels.

In recognition of these trends, the Court took measures last year to help mitigate the impact on the operating budget, while continuing to provide vital services to the parties and agencies served by the Court.

Some of those mitigation measures and other notable highlights from 2021 include:

- ◆ **STAFFING:** – Starting in the 1<sup>st</sup> quarter of last year, the Court reduced staff by laying off a probation officer and a case scheduler. Additional reductions were realized through attrition with the mid-year retirement of the Court’s chief probation officer and the departure of a law clerk upon his passing the Ohio Bar Exam. To date, the Court has opted to not fill either position.
- ◆ **JANITORIAL & LANDSCAPING:** For the second year in a row, the janitorial and landscaping needs of the courthouse were satisfied by court employees. As the public health conditions allowed, the Court incrementally resumed its in-house Community Service program and utilized eligible participants to assist in various cleaning and maintenance tasks. The savings to operational budget is estimated to be approximately, \$70,000 per year.
- ◆ **GRANTS:** The Court applied for and received over \$75,000 in grants in 2021. The Supreme Court of Ohio Technology Grant provided \$25,000 to fund a major upgrade to the Court’s internal network infrastructure. A Technology Grant was also awarded to Clerk of Courts office to fund a pilot program to test the efficacy of utilizing SMS messages to remind defendants of upcoming court appearances and reduce missed hearings.

Additionally, the Court received \$50,000 from the Ohio Department of Mental Health & Addiction Services to support the specialized mental health docket known as STRIDE Court (Successful Treatment Results in Developing Excellence). STRIDE Court is an intensive, two-year program serving offenders convicted of crimes as result of mental illness.

- ◆ **SUMMIT COUNTY VIRTUAL COURTROOM PROJECT:** In collaboration with the other Summit County courts, the Summit County Sheriff's Office, the County Executive's Office and other community partners, the Stow Municipal Court started the development and integration of a secure countywide multimedia network. This project will enable judges throughout the county to interface with local jails, attorneys, and case parties, as well as conduct remote hearings with offenders in custody. This will help increase efficiencies in court operations, reduce security risks, and minimize the strain on the Sheriff's Office and local police agencies who would otherwise be responsible for transporting defendants between courts and the various jails throughout the county.

This project will also provide the infrastructure for future collaboration, training, and professional development opportunities for staff with the installation of additional multimedia equipment in probation offices and conference rooms at each of the courthouses. The new system is projected to be fully operational by mid-2022.

On behalf of Judges Kim Hoover and Lisa Coates, Clerk Amber Zibritosky, and our staffs at the Stow Municipal Court, we look forward to moving beyond the pandemic-plagued challenges of the past two years with a responsible and strategic approach to the "new normal" on the horizon for the Court and the 16 communities we serve.

Respectfully,

**Richard T. Klinger**  
**Court Administrator**
